

BREATHE CLEANER AIR IN YOUR CONDO

Clearing dryer and bathroom vents helps prevent fires and improve your air quality.

REDUCE FIRE RISK

Clogged dryer vents are a leading cause of dryer fires.

BOOST AIRFLOW

Improves airflow so your dryer works better and faster.

HEALTHIER HOME

Cleaner vents help reduce moisture, dust and indoor air pollution.

PAYMENT OPTIONS

1. e-Transfer (Preferred)

Fast, secure and easy.

2. Square (Credit Card)

Visa, Mastercard, Amex accepted.

3. Cash

Simple and convenient.

BASIC VENT CLEANING

We provide basic cleaning by removing **lint and debris 1-2 meters (3-6 feet)** into the vent from the accessible end. This helps improve airflow and reduce fire risk for regular maintenance.
